Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

Definitely Not. As my basic human rights have been violated by officers of a Queensland Government Department. Personal experience.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes. Though I am a little concerned, political correctness may assist vocal minorities in hijacking any benefits

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Qld Govt Dept Officers wrongfully using Professional Privilege to violate rights(hence the rights if my children), defame, commit perjury. playing the legal game without ethical integrity. Giving me no right of reply at all . The department and judiciary see no reason to be concerned with my/our Human Rights. Yet.
