Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

NO. Without freedom of speech, humane treatment, right to congregate, etc. we can be subjected to repression by a government that dominates the only house of Parliament we have.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

YES. We need the same protections people deserve throughout the world.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Detainees can be held without trial for an indeterminate period of time, and excesses by the government of the day have no checks on being over zealous or repressive.
