Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

The human rights of survivors of sexual abuse by clergy are not protected nor are the rights of children to be raised free and unencumbered on reaching adulthood so that they can choose freely if that is their want with regard to belief in a religious system

That is the first right that should be afforded all children right on through until adulthood - it would; be nice moral and ethical if Australia were to adopt this is reality

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

I will stick with the above for the moment

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Yes
