Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

I think that they are partially protected by our liberal democratic traditions, and by parliamentary convention, but that they should be enshrined in law.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes, because it will hopefully give more protection to those Queensland citizens who need it most, but also because it might encourage a change on a federal constitutional level.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?
