Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No, they are definitely not. Evidence is happening all the time with women being targeted as victims e.g. appalling levels of domestic and neighbourhood violence and abuse.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes, you have to start somewhere. It will be a start towards shifting the bullying mentality that is very prevalent.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Watch the local news every night on TV . Most nights there are plenty of examples of violence and bullying behaviour.
