**Q5: Do you think that human rights are properly protected in Queensland? Why/why not?**

No. Err, no human right bill.

**Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?**

Yes. Values are not self-evident; it's a good idea to state them clearly. Human Rights essentially express a parcel of values. Then, when required, people can be held to account to them

**Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?**

Not off the top of my head, but then I lead a privileged and sheltered life.
