**Q5: Do you think that human rights are properly protected in Queensland? Why/why not?**

Yes. I see examples of people are mistreated at hospitals and being discharged to cut down the cost while they need to be treated and looked after.

**Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?**

Yes, to punish anyone cross or fail to meet the act and human rights.

**Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?**

Yes. A patient was discharged from a public hospital even though the doctor knew he is a suicidal patient. The patient took his life after he was discharged.
