Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No. The United Nations standards are not enforced by legislation.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes. All Queenslanders should have the access to basic human rights.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

My experience is working with offenders in Rosina and youth detention centres. Queensland should have an independent prison inspector similar to Western Australia, NSW and Tasmania. This office assists in ensuring that the human rights of young people and children in detention are being upheld.
