Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No. Laws wax and wane with political agendas. We need simple base-line rights, such as the right to fair conditions in work and social security, privacy, freedom of speech.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes I do. There is too much uncertainty and insecurity with the general laws of the land.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Too numerous to mention - police actions/inaction, land development activity...
