Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No. The right to free speech has been eroded by a culture of trolls.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes, if it protects my rights to express my opinions freely, AND it is actually enforceable.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

I am not convinced an Act would help in the situations where my rights of free speech have been attacked or eroded; as there is no recorded evidence and in situations where there is, then it would still be cumbersome and time consuming to pursue a resolution. 99% of the time it wouldn't be worth the hassle.
