Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

It's much quieter than in recent years

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

I'd prefer a Bill of Rights at a national level

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Fighting the Border Force and Asylum Seeker Policies of the Commonwealth. Assisting these poor people who have asked Australia for Asylum and who are now being tortured. Getting more involved in domestic violence. Fighting for a Disability Commissioner. Establishing a Sorry Committee that will work towards the next National Apology to Asylum Seekers. Mobilising the international HR to assist Australian voters in getting rid of draconian asylum seeker policies.
