**Q5: Do you think that human rights are properly protected in Queensland? Why/why not?**

They are certainly not. Just look at the inequalities in Aboriginal health, rates of imprisonment or gender inequalities.

**Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?**

Yes, I do. It would give a base on which we could build a way towards human rights.

**Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?**

No I don't, but you only have to listen to the media that is full of reports of matters that could be corrected with a human rights act.
