Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No. They are not specifically protected by law.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes. Human rights are the basis of democracy going back to the Magna Carta. To protect democracy you must enshrine human rights in law.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

The right to protest peacefully is steadily being eroded by recent changes. For example doctors protesting about human rights of asylum seekers on Manus Island may risk legal action if they speak out.
