Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No. You only have to look at the incarceration of ATSI people in the Criminal System. The law is discriminate against minority groups including ATSI people.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

We have Human/Indigenous Rights, but they won't do anything about it. It has been ratified by the Australian Commonwealth Government. Are they not the Law in Australia through the Westminster system or do Aboriginal people who have been dispossessed own this country. No treaty done with us.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Deaths in Custody. High percentage of children placed in care in some instances because they are poor. High percentage of children in detention centre.
