Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

If they do not ensure people are free from harassment they are not comprehensive enough

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes I do. The legislation should change to move in line with that of other states, so people can feel their human rights are being observed, valued and upheld wherever they live in Australia.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

I can think of many situations from my own and other people's lives, too many to name. If we all did not have so many examples to share we wouldn't need a Human Rights Act.
