Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

Not at all. We need something like this to really make it clear what we are entitled to

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes I support it. It's needed in every state.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

That poor gentleman whose house was broken into, and, in protecting his baby daughter, unfortunately lost his life. Now he is serving minimum 12 years in prison. Ridiculous. This is exactly why we need this.
