Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No, the state government seems to have a lot of power dictating the relationship between parents and children, childrens' rights (re: Vaccination) and threatens to take away some of our rights to free protests (proposed 7-year jail term for people who lock-on as a protester...)

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes, governments are chosen by the people and need to listen to all their people, protect them, do right by them... Human Rights are a base line and protect us somewhat from political power abuse...

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Have a look at some of the refugee issues...
