Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

No , because a classic example is for my example is Health workers being subjected to victimization and bullying by senior management . These people make the rules and it is blatantly clear the rules do not apply to them! Older government employees are being shoved aside by ever growing levels of beauracrcy.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

I support it providing it removes the protectionism put in place by senior public officials.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Simply older Queensland Government employees are being targeted to be removed from the workforce , with the loss of experience .
