**Q5: Do you think that human rights are properly protected in Queensland? Why/why not?**

No

At present we have few ways to challenge authorities if we feel they have abused their powers.

**Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?**

Yes

We must show to ourselves &amp; the world that we insist on a certain minimum of fair treatment by authorities to all citizens.

**Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?**

An Education Minister refuses to build a school in the outback for reasons of cost. An HR Act might cause the Minister to rethink his decision.

An HR Act might allow a prisoner to successfully apply for more humane living conditions.
