Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

Domestic violence is high and the rights of women are only secondary.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Something has to be better than nothing, but how does the law change any human right. There's a choice not to follow the law.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

A domestic murder-suicide. I really don't know how just saying we need human rights stops these violations.
