Q5: Do you think that human rights are properly protected in Queensland? Why/why not?

Definitely not as we have politicians that make laws that strip basic rights away from individuals even if they have never broken the law previously.

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes, as long as it supports basic rights to everyone equally.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Just look at the previous government and their pathetic attitude towards citizens and now the present government and their lack of gumption to act in the support of its citizens
