Not when laws can be made that stop certain groups to 'free association' e.g. The recent VLAD laws

Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?

Yes I do. Rights to education, universal healthcare and freedom of association are important but what is more important is the responsibilities that go with those rights.

Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?
