**Q5: Do you think that human rights are properly protected in Queensland? Why/why not?**

NO! Qld already has a number of 'legislated Acts' (e.g. Succession Act 1981, Guardian and Administration Act 2000, Powers of Attorney Act 1998), that are NOT enforced in their entirety, and the general public has no avenue of recourse because the Govt. of the day does not enforce the Acts!

**Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?**

No. I strongly believe another Act, whether it is for Human Rights, or 'Politicians Wrongs', will be another piece of legislation NOT enforced by the powers to be.

**Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?**

Yes; 1. Illegal actions by the Public Trustee of Qld, 2. Acceptance of lies and deceit by The Public Guardian. There is no agency/entity in Qld for these types of Govt. -controlled organisations to be accountable .

## PAGE 3

**Q8: Which rights should be protected?**
