**Q5: Do you think that human rights are properly protected in Queensland? Why/why not?**

No. The police have too many powers, they abuse them and are unaccountable. And then close ranks as the cover up starts and they investigate themselves.

**Q6: Do you support the introduction of a Human Rights Act in Queensland? Why/why not?**

Yes. All people should be equal under the law. Tattoos and bikes should have nothing to do with it.

**Q7: Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?**

VLAD laws have cruel and unusual punishment. Anti association laws limit who you can be friends with even if no crime exists.
