

Do you think that human rights are properly protected in Queensland?

Yes

No

Why?

We don't have an upper house / Bill of Rights to ensure parliament doesn't infringe on our rights.

Do you support the introduction of a Human Rights Act in Queensland?

Yes

Why?

Kind of. I would prefer an upper house to review legislation, but without that, a Human Rights Act would help ensure our rights aren't infringed.

No

If you answered "yes" to the Question above -

Can you think of a situation from your life or someone else's life that shows why Queensland needs a Human Rights Act?

Any number of my gay & lesbian friends who can't marry.
