Re: Local Government Electoral (Implementing Belcarra) and
Other Legislation Amendment Bill 2017

I am writing in support of the above Bill to:

1. ban donations from property developers for candidates, third parties, political parties and councillors. This is extended to Members of State Parliament.
2. strengthening the process associated with the declaration of councillor conflicts of interest, the management of conflicts of interest and material personal interests within council meetings and penalties for non-compliance.

I also support all 31 recommendations in Local Government Electoral (Implementing Belcarra) and Other Legislation Amendment Bill 2017.

Sincerely,

M.L. Mionnet
