Acting Committee Secretary
Legal Affairs and Community Safety Committee.
Parliament House, Brisbane Qld.

Dear Members,

We wish to express our concerns with the present situation regarding developer donations to Government and

Council officers. We would like to express the following'

- 1: Stop all developers donations to all candidates sitting for office
- 2: To make Council elections open to all and not just monied people, a limit on what each Division can spend,
Say, 3 to \$4000 plus a limit on the amount of Corflute's, say 20 each division.
- 3: All donations receipts to be handed into council 2days before the election date.
- 4: all expense receipts spent to be handed into council 7days after election, any money left over to be given to charity'
- 5: Any Mayor or councillor with the slightest conflict of interest to leave the room at voting time.
- 6: Any Mayor or councillor who is found to be corrupt should be either 1, sacked, 2, hefty fines, 3, or prison time.
- 7: The conduct of councillors should not be decided by the Mayor or the CEO, but by all councillors.
- 8: No councillor should be allowed to sign a document forbidding them to speak out if they think wrong doing is going on.
- 9: All advertising to stop 3days before the election date.
