Please accept this as a supplementary sub. Further prohibited donors should be anyone associated with weapons manufacturing or sales ect. Anyone associated with defence related industries etc. In my sub I deleted suggested pars dealing with a councilors religion. This is already covered by discrimination legislation. Sporting clubs are an issue cos of [REDACTED] up here in Townsville donor and [REDACTED] and all councilors had an interest . One councilor is also on that board. Both the ecq and CCC would be well funded buy a 50/50 split of the 18mil given by Townsville council to labor donor [REDACTED]. Google it! [REDACTED]
