To Whom it may concern,

The Queensland Parliamentary Service in regards to the Rural Hotels Concession Amendment Bill 2017 which was introduced to assist in alleviating some of the financial pressure on our remote hotels in QLD would assist our small hotel.

We own the Muckadilla Hotel in Muckadilla 4461 QLD and would like to let you know that the reduction in fees out here would help our financial pressure because we are in an area the relies on mostly passing trade. The rising cost of electricity, gas, insurance and other products have made it very hard to continue to operate and run a business. Also the down turn in trade has gradually has not helped, so any concession that you could make would be greatly appreciated.

Thanks you
