Ms Anastacia Palaszcuk
Premier of Queensland
George Street
BRISBANE QLD 4000

Dear Ms Palaszcuk,

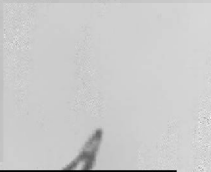

RE: SUPPORT FOR CIVIL PARTNERSHIPS IN QUEENSLAND

I would like to express support for the reintroduction of Civil Partnerships legislation in Queensland. As a parent of a gay son, I would like to know that any future partnership he may enter into is recognised legally in Queensland - hopefully prior to the legislation of marriage equality following next year's Federal Election.

This step will give the LGBT community in Queensland the lift in self esteem and also provide recognition of their relationship regardless of sexuality and provide next of kin rights.

I look forward to celebrating the reintroduction of this important legislation in Queensland as soon as possible.

Kind regards,

Jill Hammond
