Subject: Human Rights Bill 2018 Submission
Date: [REDACTED]

Dear Committee,

I believe that Queensland deserves an enforceable Human Rights Act so we can live in a fairer and a more equal state.

I want the Human Rights Bill 2018 to be passed by the Queensland Parliament as soon as possible.

This is about protecting the human rights of every person in our community – our families, friends, neighbours and colleagues.

I want to live in a state where we can be sure that our government will follow the rules it has agreed to and takes responsibility for respecting our human rights in how it creates laws, spends money and delivers services.

I think the Human Rights Bill 2018 could be improved by allowing:

1. People to make a human rights complaint to a court or tribunal
2. The tribunal or court considering the complaint to award damages where appropriate.

Yours sincerely,
