Subject: submission on the Dangerous devices bill
Date: Thursday, 3 October 2019 11:07:50 AM

Hello, My name is Leonard Charles Thompson.... I live at [REDACTED]
[REDACTED] My email address is [REDACTED] My phone no is [REDACTED]

I would like to register my disapproval of the proposed new Bill [Summary offences and other legislation amendment Bill 2019

I see this [unnecessary] legislation as an attack on my Basic Democratic rights.
The actions that the bill seeks to prevent appear to be already Illegal.
Non Violent activism is my democratic right.
The main aim of the legislation seems to be a lazy way of avoiding legitimate complaints that well informed australians are not willing to accept.
If the devices and people involved are non violent they express frustration at the present system and the halt that they bring to the community give us time to take a second look at the objected to state activity.
The legislation seems to hark back to old fashioned Big brother styles.

Thanks for the system that allows me to make this submission... Len.
