Submission 002

Gail Easton

From: Bill [REDACTED]
Sent: Wednesday, 28 December 2011 9:56 AM
To: Legal Affairs Police Corrective Services and Emerg Svc Committee
Subject: Bill 2011

To whom it may concern:

Increasing the time of impoundment is a good start. However, repeat offenders (more than once) should have their vehicles crushed and made to watch the process. This has been done in other countries and the problem have been solved.

It is time we got tough with these criminals and stopped this nonsense.

Sincerely,

W.D. Watson
