Subject: Why change ?

To whom it does concern.

The good book clearly states That GOD Made Adam and Eve, not Adam and Steve.

Man and Woman, that's right! 2 sex's, Male and Female, not she boys or he girls , not lady boys or man girls or non binary or both in one,

All you are doing is taking away any rights that females have regarding their personal space , its a ridiculous attempt to remove GOD as the Creator of Humanity to usurp HIM.

The Females of Australia need to be protected from lowlife predatory men and Dare I say ,lowlife paedophiles that have no respect for children.

How disgusting to pass a law to let anyone change their sex on their birth certificate.

I implore politicians to seriously search their souls and ask themselves ,is this a law for the betterment of society in Australia or just pandering to the 2% of voters that would relish this new law ?

Sincerely yours
