

## **Births, Deaths and Marriages Registration Bill 2022**

**Submission No:** 87  
**Submitted by:** Meghan Oliver  
**Publication:** Making the submission and your name public

### **Submitter Comments:**

Absolutely oppose this bill. You shouldn't be allowed to change your sex after your birth has already been registered. Even if you have transitioned you were still born either male or female t matter what you identify as now. This is getting out of hand.
