

## **Births, Deaths and Marriages Registration Bill 2022**

**Submission No:** 169  
**Submitted by:** Ollie Conti  
**Publication:** Making the submission and your name public

### **Submitter Comments:**

As a young trans person with many trans friends, this bill passing is incredibly important to me and many of my loved ones. It would have clear positive effect on the lives of people I care about. Anyone who supports trans rights, should support this legislation.
