

## **Births, Deaths and Marriages Registration Bill 2022**

**Submission No:** 229  
**Submitted by:** Mark Barr  
**Publication:** Making the submission and your name public

### **Submitter Comments:**

It is the right of all individuals to live as themselves, as autonomous beings, and it is thus only correct to extend this to transgender people and subsequently offer them to opportunity to live as their true selves in the eyes of the law.
