

Births, Deaths and Marriages Registration Bill 2022

Submission No: 232

Submitted by: [REDACTED]

Publication: Making the submission public but withholding your name

Submitter Comments:

Gender is not binary. Every human has the right to be recognised by their gender in all states and this be reflected correctly on documentation. In support this bill as it every person should feel included and this bill will create greater inclusivity for all as well as improve the wellbeing for trans within my community and all communities more broadly.
