

## Births, Deaths and Marriages Registration Bill 2022

**Submission No:** 275  
**Submitted by:**   
**Publication:** Making the submission public but withholding your name

### Submitter Comments:

Falsification of birth certificates should not be allowed. Self-Identification endangers women's sex-based rights. Women and men also have rights to same-sex care when sick or disabled. Women, men, girls and boys have sex-based rights based on our sex, not "gender". We do not consent to our human rights being given away,
