

Births, Deaths and Marriages Registration Bill 2022

Submission No: 287
Submitted by: [REDACTED]
Publication: Making the submission public but withholding your name

Submitter Comments:

Trans people deserve the basic right of being identified correctly by the name and gender marker that most suits them. This change will save lives, and will make trans people going to hospital have less issues with misgendering and deadnaming. This will literally save lives.
