**Categories:** BDM, Submission

TO WHOM IT MAY CONCERN:

I wish to register our deep concern at the promotion of this Bill.

The self ID bill will allow men to over ride many other laws to access safe women's spaces. This will endanger the safety and lives of Queensland Women and girls.

Please support Women's and girl's rights.

Your support of this bill will result in many future problems for our society. You and your cohorts will be responsible for this if this bill is successful.

Yours sincerely,  
Cheryl White
