Dear sir, we are an elderly retired couple in Townsville. We have had to change the way we live because of all the crime. Our house now is a fortress, we have purchased another guard-dog, My wife rarely drives alone anymore and never at night. We feel that the GPS bangles are a waste of time. These kids need to be locked up and taught respect. Townsville Court-house is a revolving door and they abuse the judges and get bail & steal another car. Yours faithfully
