Roma Show Society is run predominantly by Volunteers, The show simply would not happen without them. Every year it is getting harder and harder to find volunteers to help run the various sections and on the general committee. It seems people are getting very time poor and unfortunately local committees suffer. The Roma show brings the community together for a 3 day period once a year and is a must see on the local calender. Community events, such as the show are also suffering with increasing costs and therefore struggle to at least give the volunteers some reward for their time.
