

## Inquiry into volunteering in Queensland

**Submission No:** 118

**Submitted by:** [REDACTED]

**Publication:** Making the submission public but withholding your name

**Attachments:** No attachment

**Submitter Comments:**

There has now been several generations who haven't seen the general population, "doing it tuff", thus haven't seen people just helping each other out. Society has become insulated from socialising by media publishing sad stories and spreading happy stories. We need to somehow encourage media moguls to be socially responsible, not profit driven.
