As a league chairpersons for 15years both senior and junior clubs with both male and female player and club volunteer along with play the game for 23years. I have a wide range of views and understand of policies and procedures of the Qrl. For 4years I have worked with youth justice in cherboug and been an advocate for the minors in there legal situations and have a fantastic connection with the community and elders from this and rugby league. I come from a big buisness back ground and see major improvements for volunteers and compliance that could save hundreds of hours in most clubs to rebuild a better family, work and volunteer experiences, to all involved.
