

IMPORTANT NOTICE FEB' 09

Public submissions are called for by LCARC, (Legal, Constitutional and Administrational Review Committee) of the Queensland Parliament, to assist in drafting a preamble for the Queensland Constitution. Submissions can be lodged by email to lcarc@parliament.qld.gov.au or by post, LCARC Parliament House, George St, Brisbane 4000, closing 13 March 2009.

Information is available on the Government website www.parliament.qld.gov.au if you can find it.

One Nation suggests you simply submit NO to a preamble for the Queensland Constitution, (sample attached), remembering this was the people's response to this same question in 2004, and at that time it was canned, now they are determined to ask the same question again, probably hoping you have forgotten 2004. If enough people respond again with a NO submission the result may well be the same.
