Dear Ms Stone

Thank you for your correspondence received on 8 May 2009, concerning the Legal, Constitutional and Administrative Review Committee's (LCARC) call for submissions regarding its Issues Paper on a draft preamble for the Queensland Constitution and options for modernising the oaths and affirmations under the Constitution.

As it is the Queensland Government's intention to submit a whole of government response to the Issues Paper, my department will not be providing an individual submission back to LCARC.

However, I appreciate the opportunity for my department to respond to the Issues Paper and I look forward to receiving a copy of the final report.

Should you require any further information, please contact Franceen Glover, Cabinet Legislation Liaison Officer, Strategic Policy Division, Department of Community Safety on telephone number (07) 3239 6729.

Yours sincerely
