Subject: No Divisions

Dear Sir

Cairns Regional Council DEFINITELY needs divisions. We in Division 10 (formerly Douglas Shire before the dastardly amalgamation of 2008) will lose our votes totally if we do not have a local representative.

The Queensland State government has done enough in amalgamating and obliterating our beautiful and historic shire.

Please don't make us lose our only representative's voice in local government.

NO DIVISIONS.

Again we say - can't you listen to the people?

Pam
