Thank you for the opportunity for the Department of Natural Resources and Mines to comment on the issues paper regarding the Preamble for the Qld Constitution.

The Department has only one suggestion - that being that the statement on page 2 beginning "in a spirite of reconciliation..." be modified to read "in a spirit of reconciliation, we recognise the contribution of both Aboriginal and Torres Strait Islander peoples as the orginisal occupants and custodians of thisland, their unique cultures and our common history"

The suggestion has been made by officers of our Cultural Heritage Unit. If you wish to follow this up pls don't hesitate to contact me. Your sincerely
