Dear Sir/Madam,

Submission on the Preservation & Enhancement of
Individuals Rights & Freedoms.

1/ Any sound & Law abiding adult should have the
right to own or possess any type of fire arm that is not
capable of fully automatic (machine gun) function, with
minimal interference from the government.

2/ Persons should not have to show "genuine reason"
to own a fire arm, but authorities should be able to show
"genuine reason" why an individual should not be allowed
to own a fire arm.

3/ Protection of self and/or family from any form of
threat is a legitimate reason to own a fire arm.

4/ Any person of good character should be allowed to
